

Lockout station - S1900 & S1850

Lockout stations for storing all lockout padlocks and accessories in one fixed location.

- ✓ Available empty or with padlocks and accessories. Make up your station to meet your specific requirements by choosing padlocks and accessories for electrical lockout or valve lockout
- ✓ Extremely rugged construction. Polycarbonate material provides twice the heat resistance and quadruple the impact resistance of normal stations
- ✓ Exclusive transparent cover protects contents. Movable dividers for organising accessories. Tip-out bins.
- ✓ Top and bottom sections of the padlock station can be locked with a combination padlock
